Glendale Elementary School is a school rich in diversity and offers an array of programming options and services. This includes both English Language Instruction and Dual-Language Immersion Instruction strands, Special Education/Deaf/Hard of Hearing Programming, and 4K programming. Drawing its students from multiple neighborhoods, Glendale staff seek to meet the needs of the whole child through attention to academic and social-emotional learning. Staff are organized in teams to plan and problem solve together. Working together with the families it serves, Glendale Elementary School's goal is to support student growth that enables them to develop a strong foundation on their way to college, career, and community.

School Principal: Ben Ketterer

## Equity Vision

Glendale: There's a place for you here.

## Strengths

Our school's core beliefs include (a) staff collaboration makes our school strong, (b) we share responsibility for all students, and (c) student engagement is the key to learning. These beliefs drive all of our decisions.

## Progress

In the last years we have been working on staff team development, focusing instruction based upon standards, and integrating social-emotional skills into daily learning experiences as we strive to make Glendale a place where all feel that they belong.

## Area for Growth

Glendale Elementary's staff, working through instructional teacher teams, will focus its improvement efforts for the coming year in three areas: (1) Improving the quality of lessons that students daily experience, (2) improving the coordination of classroom supports through co-planning and co-teaching, and (3) developing more equitable strategies to engage the families and communities it serves.

## Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.
